SCAN ME

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives. Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges. Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide. We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences. These events provide a platform for effective collaborations on the latest research for the worldwide community. Our conferences include exceptional keynote speeches, interactive sessions, and lively debates on research and development in Medicine, Engineering, and Technology. ([click here for more](#))

About Conference

Scientex Conferences feels honored to invite eminent clinicians, researchers, academicians, and healthcare professionals to the **2nd International Conference on Gynecology, Obstetrics and Women's Health**, scheduled to be held on **November 16-17, 2026**, in the dynamic city of **Bangkok, Thailand**. This premier conference will bring together experts and professionals in gynecology, obstetrics, maternal and reproductive health, providing a global platform to share pioneering research, innovative clinical practices, and the latest advancements in women's healthcare. For professionals involved in clinical medicine, research, academia, nursing, midwifery, public health, and healthcare education, Women's Health 2026 offers an excellent opportunity for learning and collaboration. The goal of this conference is not only to address the core themes of gynecology and obstetrics, but also to connect professionals across the globe, fostering meaningful collaborations that contribute to building a stronger community and a brighter future in women's health.
